

THE OMNIPOTENCE OF GOD

Omnipotence can be defined by two words. Omni, meaning all, and potent, meaning power. The power of God is that ability and strength, whereby, He can bring to pass what so ever He pleases. What so ever His infinite wisdom may direct. God power is like Himself, infinite, eternal, and incomprehensible. It can neither be checked or restrained. **Job 42:2, Numbers 11:23**

God's creative power: His power is seen more clearly in all His creations. When God spoke the words, "let there be" and it was so. From nothing He spoke into existence the earth, the heavens, and every living thing . **Genesis 1:1-25, Psalms 33:6-9**

However, God took the time to create man from the ground as a potter shaping clay. He shaped him in His image and breath life into his body and he became a living soul. Contrary to what science tell us, there was no big bang, or no Darwin's theory of evolution . **Genesis 2:7-9**

God's power is the sustainer of life: when God created the heavens and the earth, every star in the heavens has a place and a purpose. The sun was created to give light in the day and provide nourishment to the plants . The moon to give light during the night, and control the tides of the sea. The raging water are kept within it's boundries. He created gravity to keep us secured safely to the ground. **Job 38:8-11.**

All life would perish were if not for God's continued provision of every thing. The water of the earth is continuously recycled. The vegetation through the seed it produce and the air we breath through photosynthesis. It's by His Word that we are sustained. **Hebrews 1:3, psalms 66:8-9**

God's power extents to government: God restrains the malice of satan. IPeter 5:8. The devil is filled with hatred against God, and with fiendish hatred against men, especially the saints. He envied Adam in the garden and he envies us the pleasure of enjoying God's blessings. If he had his way, he would treat us the same way he treated Job. **Job 1:6-12, job 2:6.** Jesus confirmed to pilate, that all power come from God. He also restrains the natural corruption of men. He suffers sufficient out breakings of sin to show what fearful havoc has been wrought by man's apostasy (the abandonment of God and his ordinances) from his or her maker. We cannot imagine the evil lengths men would go, if God remove is restraining hands. **Romans 3:9-18**

God displays His powers through miracles: mark 6:30-44, john 11:38-44, mark 5:35-44. Being omnipotent, God can do everything that is in harmony with His Holy character. However, He can not lie. He lack the ability because, it is contrary to His moral perfection .He has control over life and death. It is God's power that continues to hold us inn a state of grace despite our sin, and by His power we are kept from falling. His power will be proclaim by all the host of heaven for all eternity. **2Timothy 1:12,**

Jude 24, revelation 19:1

MAY THAT BE OUR ENDLESS PRAYER!
